BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AT&T COMMUNICATIONS OF THE SOUTH CENTRAL	)	
STATES, INC.'S PROPOSED SEPARATE RATE	)	CASE NO. 91-193
SCHEDULES FOR THE AT&T CIID/891 CARD	)	
TARIFF	)	

O R D E R

On May 20, 1991, AT&T Communications of the South Central States, Inc. ("AT&T") filed with the Commission a proposed tariff to be effective on and after June 20, 1991. The filing would allow AT&T to implement separate rate schedules and service charge schedules associated with calls that are billed to an AT&T CIID/891 card.

On June 17, 1991, AmeriCall Systems of Louisville ("AmeriCall") filed a motion to suspend the tariff filing for investigation. AmeriCall claims the filing is discriminatory and that AT&T failed to set forth currently offered discounts associated with CIID card usage.

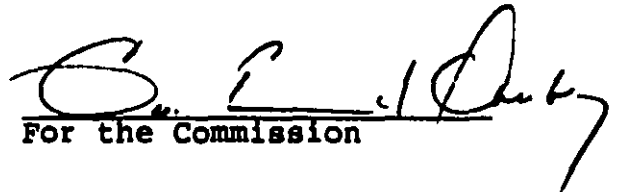

On June 20, 1991, the Commission suspended AT&T's tariff filing for five months from June 20, 1991 up to and including November 19, 1991. AT&T was then given five working days to respond to AmeriCall's motion. AT&T filed its response on June 28, 1991.

On July 1, 1991, AmeriCall filed a motion to intervene. The motion was granted by the Commission on July 3, 1991.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that any party desiring a public hearing in this matter shall file within 10 days of the date of this Order a request for hearing, specifying in detail any issues to be addressed at the hearing. If the Commission receives no such request for a hearing, then this matter will be submitted for final decision.

Done at Frankfort, Kentucky, this 17th day of July, 1991.
